Preface

The *Seminar Antarabangsa Islam dan Sains* (SAIS 2023) or International Seminar on Islam and Science is jointly organized by Persatuan Kakitangan Akademik Universiti Sains Islam Malaysia (PKAUSIM), Faculty of Syariah and Law, USIM, and the International Fatwa and Halal Centre (iFFAH), USIM. The theme of this year seminar is “**The Global Leaders in Islamic Science**”.

The Seminar provides a platform for dialogue and discussions between academicians, researchers, and graduate students to address current issues, challenges, and opportunities in academic across fields and industries.

All presenters involved are cordially invited to share knowledge and expertise by presenting their valuable findings in the conference which is held face-to-face on 19th December 2023.

SAIS 2023 Committee

FOREWORD

PROFESSOR DR. IRWAN MOHD SUBRI,
PRESIDENT,
PERSATUAN KAKITANGAN AKADEMIK
UNIVERSITI SAINS ISLAM MALAYSIA (PKAUSIM)

Praise be to Allah, The Almighty and The Most Glorified. Peace be upon the Prophet Muhammad SAW, his family and companions. May Allah bless them with honour and graces.

The seminar themed **The Global Leaders in Islamic Science** represents a collaborative effort by academicians who have participated in our *Seminar Antarabangsa Islam dan Sains* (SAIS 2023) or also known as the International Seminar on Islam and Science organised by Persatuan Kakitangan Akademik USIM (PKAUSIM), and co-organised by Fakulti Syariah Undang-Undang, USIM, and International Fatwa and Halal Centre (iFFAH), USIM to provide scientific references that integrate the revealed and acquired knowledge. The e-proceeding is unique because the integration between *naqli* and *aqli* (revealed and acquired knowledge) studies will contribute to the development of all faculties in USIM.

PKAUSIM is very honoured and grateful to have the privilege to organize this seminar and producing the digital publication of SAIS 2023. This effort could be viewed as the continuous steps of academicians in our endeavours to integrate both *naqli* and *aqli* disciplines and improve the quality of our lives into an international setting. May Allah bless all who have contributed to making the conference and its publication as our good deeds during our lifetime and the hereafter.

Thank you and Wassalamualaikum.

WELCOME NOTES

PROFESSOR DR AZMAN AB RAHMAN
DIRECTOR,
SEMINAR ANTARABANGSA ISLAM DAN SAINS (SAIS 2023)

Assalamu'alaikum warahmatullah wabarakatuh

Praise to Allah for His blessings, the *Seminar Antarabangsa Islam dan Sains* (SAIS 2023) has been successfully organized. Islam and Science presents an articulate and concise historical introduction to intellectual developments that have shaped Islamic civilization, both religious and scientific.

The seminar which is organized by USIM Academic Staff Association (PKAUSIM) in collaboration with Faculty of Syariah and Law USIM and the International Fatwa and Halal Centre (iFFAH) is held as a platform to exchange ideas, thoughts and knowledges regarding the current issues which relate to Islam and science.

The seminar theme **“The Global Leaders in Islamic Science”** is very much reflecting the issue and current needs. The sharing session by all presenters renowned in their respective field is yet another hallmark of this seminar.

The success of the seminar is the result of the high commitment and dedication of the committee members, university, academic staff, and not forgetting the authors, presenters and participants who have given their best through participation in SAIS 2023.

Jazakumullahu khayran kathira.
